1b. Mayor and request for the confirmation of the reappointment of Bernard J. McDonald to the Board of Park Commissioners

Councilor Raposo requested clarification regarding the differences in term lengths for each member of the Board of Park Commissioners and the Assistant City Clerk stated that this avoids multiple members terms expiring during the same year. On a motion made by Councilor Peckham and seconded by Councilor Raposo, it was unanimously voted to confirm the reappointment, with Councilor Hart absent and not voting.

1c. Mayor and request for the confirmation of the reappointment of Mark Nassif, Jr., to the Retirement Board

On a motion made by Councilor Canuel and seconded by Councilor Peckham, it was unanimously voted to confirm the reappointment, with Councilor Hart absent and not voting.

PRIORITY COMMUNICATIONS

2a. City Council President's letter re: Updates from the Administration on the current status of the Civil Service process for the hiring of a Police Chief

On a motion made by Councilor Pereira and seconded by Councilor Peckham, it was unanimously voted that the communication be accepted and placed on file, with Councilor Hart absent and not voting.

ORDINANCES

- 2b. **Proposed Ordinance – Requiring City Council approval of certain employment contract obligations**

Councilor Canuel explained that a related resolution is currently tabled in the Committee on Ordinances and Legislation and he proactively drafted this proposed ordinance for further deliberation. A brief discussion was held by President Ponte, Councilor Canuel and Councilor Pereira regarding the drafting of the proposed ordinance. Councilor Canuel clarified that a proposed ordinance has not yet been presented by Corporation Counsel, so this draft will assist with the Committee's ability to progress the discussion. Councilor Cadime stated that Corporation Counsel holds a contracted position, and his action on drafting a proposed ordinance may be considered a conflict of interest. On a motion made by Councilor Raposo and seconded by Councilor Peckham, it was unanimously voted that the proposed ordinance be referred to the Committee on Ordinances and Legislation, with Councilor Hart absent and not voting.

RESOLUTIONS

- 6a. **City Council exercise its authority under Section 2-7(a) of the City Charter, which relates to access to information, to initiate a formal investigation of the Fall River Police Department's use of a search warrant to identify an individual behind an anonymous social media account**

Councilor Peckham stated that the related accusations were published online and that proactive action would provide transparency to the public. Councilor Peckham also stated that a formal legal opinion was presented by Corporation Counsel prior to the beginning of the City Council Meetings, and that this legal opinion was not necessary.

President Ponte relinquished the podium to Vice President Dionne at 8:34 p.m.

President Ponte stated that the resolution is not politically motivated and that the published news story, along with the related judicial warrant, represent a potential abuse of power. President Ponte stated that the search warrant may have been issued to investigate someone who posted remarks on social media regarding the Fall River Police Department, and that this action is not a criminal act. President Ponte emphasized the need for an investigation into this matter. President Ponte also expressed concern that no criminal charges were filed after the warrant was issued. President Ponte emphasized that the City Council must conduct this investigation to protect police officers and to provide transparency to the public. President Ponte stated that the City Council has the right to perform this investigation based on the City Charter, §2-7(a), which relates to Access to information, and stated that he does not agree with the legal opinion provided by Corporation Counsel.

President Ponte returned to the podium at 8:37 p.m.

Councilor Cadime stated that he will support the resolution as the news story suggests that an abuse of power may have taken place. Councilor Cadime agreed with President Ponte that the City Council needs to investigate this matter to protect police officers. Councilor Cadime also expressed concern regarding the legal opinion provided by Corporation Counsel, as it contradicts the language present within the City Charter, §2-7(a), which states, "The City Council may make investigations into the affairs of the city and into the conduct and performance of any city agency." Councilor Cadime stated that Corporation Counsel's interpretation of the text would require the City Council to conduct investigations during public meetings, which would be unusual.

Councilor Cadime suggested that the City Council request that the Mayor attend a meeting to discuss this matter in person and stated that paid administrative leave for the employees involved should be considered.

Councilor Canuel asked if the Council would request the Mayor to attend, or if a representative would suffice. Councilor Cadime clarified that the Charter allows a representative to attend the meeting, based on the text, but he would prefer to speak directly with the Mayor. Councilor Camara asked if the legal opinion on the matter was formally requested and President Ponte confirmed it was not requested by any City Councilor or the City Council office.

On a motion made by Councilor Cadime and seconded by President Ponte, it was voted that the City Council send a letter to formally request that the Mayor attend a future meeting to discuss this matter and provide insight as to why an investigation is not being conducted by the Administration, with Councilor Pereira opposed and Councilor Hart absent and not voting, a copy of which is attached and hereto made a part of these minutes.

Councilor Pereira provided an overview of the necessary steps to obtain a legal search warrant, which was obtained by the Fall River Police Department. Councilor Pereira stated that the issuance of the warrant is at the discretion of the judge, based on the evidence presented. Councilor Pereira also provided information regarding the process of obtaining information from social media platforms and emphasized that Massachusetts General Laws related to obtaining a warrant supersede the City Charter in relation to City Council investigations. Councilor Canuel asked if Councilor Pereira could provide the M.G.L. sections she was referring to, in relation to this matter, and Councilor Pereira stated that she would share that information following the adjournment of the meeting. Councilor Pereira also emphasized that there are limitations related to Civil Service positions when disciplining employees for improper conduct and stated that the City would need to notify the Massachusetts Peace Officer Standards and Training (POST) Commission of any inappropriate actions taken by the police department. Councilor Pereira also stated that only three individuals were involved in this matter, but local news sources published the story as though the matter involved the entire department.

Councilor Peckham reiterated the importance of an outside investigator and stated that there were events in the past that should have been investigated further but were not pursued. Councilor Peckham stated that it is the City Council's responsibility to address the accusations that have been made.

President Ponte relinquished the podium to Vice President Dionne at 9:00 p.m.

President Ponte stated that an investigation must occur to protect police officers who are put in high-risk situations to protect the City. President Ponte also stated that the Fall River Police Department should not be using City funds to research those who criticize the department on social media. President Ponte also clarified that the POST Commission would address this matter following an investigation and expressed concern regarding any Councilor who is not in support of the resolution.

President Ponte returned to the podium at 9:04 p.m.

Councilor Cadime emphasized that the last paragraph of the resolution states that any information found regarding this matter would be reported publicly and referred to appropriate state agencies, if necessary. Councilor Cadime explained that even if the investigation discovers no wrongdoing, it may help to develop additional policies related to obtaining a legal search warrant. Councilor Cadime also expressed concern regarding the unsolicited legal opinion provided by Corporation Counsel as it creates doubt in relation to the integrity of the Administration's intentions with this matter.

Councilor Pereira emphasized that Corporation Counsel stated, in person, to the Councilors prior to the meeting that he had researched this matter and issued the legal opinion for consideration prior to action on the resolution. Councilor Pereira stated that there must have been enough evidence for a search warrant if the court approved the request and expressed concern that requesting employees be placed on administrative leave would jeopardize the public viewpoint on the Fall River Police Department, as it would imply they were guilty prior to any investigation.

Councilor Peckham stated that conducting this investigation is well within the jurisdiction of the City Council. Councilor Peckham emphasized that he has professional relationships with all three individuals involved, but that a formal investigation is warranted.

Councilor Cadime reiterated that those being investigated should be placed on paid administrative leave and that this protocol is standard for investigating employee actions. Councilor Cadime emphasized that this action would increase the integrity of the investigation and allow those interviewed to answer questions with no risk of negative repercussions. Councilor Pereira stated that the investigation should be conducted by the Mayor and Councilor Cadime agreed and expressed concern that this action has not yet been taken. Councilor Cadime expressed concern that the legal opinion provided states that the City Council does not have the right to investigate, when the language within the City Charter, §2-7(a), clearly states that it is within the Council's jurisdiction.

Councilor Camara asked for additional details regarding the paid administrative leave for the three employees involved in this matter. Councilor Cadime stated that the leave should be implemented immediately. Councilor Camara stated that he would not support that request until the investigation takes place.

Councilor Canuel stated that he agrees with Councilor Cadime regarding the City Council's power to conduct the investigation but disagrees that the employees in question should be placed on paid administrative leave and stated that he would not support that motion. President Ponte clarified that this would only be submitted in a letter to the Mayor as a request, not a demand.

Councilor Peckham asked if the employees would be reassigned to a desk position without public contact, or if they would cease working entirely during the investigation, as being removed from the department fully increases mental health risks for officers.

Councilor Cadime stated that he understood Councilor Peckham's concerns but emphasized that the intent of paid administrative leave is to avoid any interaction between those being investigated and those who may be interviewed for impartial input on the matter. Councilor Cadime explained that the Mayor will most likely deny this request, but that this protocol is appropriate for these types of investigations to avoid delays or interference with obtaining information.

Councilor Raposo questioned if there was any policy through the Department of Human Resources related to paid administrative leave. Councilor Cadime stated that personnel investigations in other municipalities almost always utilize this process. Vice President Dionne stated that this request should be submitted to determine if the Mayor is open to this policy.

On a motion made by Councilor Cadime and seconded by Councilor Peckham, it was voted 5 yeas, 3 nays, that, within the correspondence voted upon in relation to the Mayor attending a City Council meeting, the City Council also formally request that the Mayor implement paid administrative leave for all employees involved in this matter, with Councilors Camara, Canuel and Pereira voting in the negative, and Councilor Hart absent and not voting, a copy of which is attached and hereto made a part of these minutes.

On a further motion made by Councilor Peckham and seconded by Councilor Cadime, it was voted 7 yeas to adopt the resolution, with Councilor Pereira voting present and Councilor Hart absent and not voting.

COMMITTEE REPORTS

Committee on Finance recommending:

Action

2a(i). Communication - Mayor and request from Purchasing Agent for City Council approval to conduct a public online auction for surplus property

On a motion made by Councilor Raposo and seconded by Vice President Dionne, it was voted 8 yeas to approve the request, with Councilor Hart absent and not voting.

A further motion was made by Councilor Canuel to apply a stipulation that the funding generated by the auctioned items from the Fall River Fire Department and Fall River Police Department be returned to the respective department funds, but there was no second.

A recess was held from 9:27 p.m. to 9:31 p.m. for the signing of ordinances and street acceptances.

On a motion made by Councilor Raposo and seconded by Councilor Cadime, it was unanimously voted to adjourn at 9:33 p.m., with Councilor Hart absent and not voting.

Fall River, MA 02722

Dear Mayor Coogan:

At a meeting of the Fall River City Council held on March 24, 2026, on a motion that was made and seconded, it was voted 7 yeas to adopt the enclosed resolution, with Councilor Linda M. Pereira voting present and Councilor Paul B. Hart absent and not voting.

On a further motion that was made and seconded, it was voted to send a letter to the Administration requesting that the Mayor attend a future Regular Meeting of the City Council to address matters related to a potential investigation into the Fall River Police Department, with Councilor Linda M. Pereira opposed and Councilor Paul B. Hart absent and not voting.

On a further motion that was made and seconded, it was voted 5 yeas, 3 nays, to request that the three employees who have been named in these recent allegations be placed on paid administrative leave by the Administration, effective immediately, pending the results of an outside investigation into this matter, with Councilors Joseph D. Camara, Michael G. Canuel and Linda M. Pereira voting in the negative, and Councilor Paul B. Hart absent and not voting.

The City Council respectfully requests your attendance at a future Regular Meeting of the City Council, in congruence with the City Charter, §2-7(c), which relates to Access to information, to discuss this matter further. The City Council would like to address the lack of an inquiry into the Fall River Police Department following these allegations and to ensure an objective investigation is performed to protect the police officers who serve the City of Fall River.

In addition, to ensure an unbiased review by those who analyze these allegations, the City Council respectfully requests that the Administration place the three individuals involved in this matter on paid administrative leave until the conclusion of said investigation. This action will assist in ensuring that the outcome of this process is impartial and objective.

Should you have any questions, please feel free to contact me.

Sincerely,

Chelsea Pacheco
Assistant City Clerk

City of Fall River, In City Council

(Councilor Christopher M. Peckham, Sr., and President Cliff A. Ponte)

WHEREAS, Section 2-7(a) of the Fall River City Charter authorizes the City Council to investigate the conduct of any department, office, or agency of the City, and

WHEREAS, recent publicly reported information has raised concerns regarding actions taken by the Fall River Police Department involving the use of a search warrant to identify the individual behind an anonymous social media account, and

WHEREAS, such reporting alleges that the warrant was sought in response to critical online commentary directed at members of the department, rather than clearly defined criminal activity, and

WHEREAS, the affidavit supporting the warrant reportedly cited generalized concerns regarding harassment and officer safety, without identifying a specific underlying criminal offense, and

WHEREAS, it has further been reported that no criminal charges resulted from the investigation and that the warrant return may not have been filed within the timeframe required under Massachusetts General Laws, and

WHEREAS, these circumstances raise legitimate concerns regarding the potential misuse of investigative authority, the protection of First Amendment rights, and the appropriate threshold for establishing probable cause, and

WHEREAS, maintaining public trust in law enforcement requires transparency, accountability, and strict adherence to constitutional and statutory standards, now therefore,

BE IT RESOLVED, that the City Council hereby exercises its authority under Section 2-7(a) of the City Charter to initiate a formal investigation into the actions of the Fall River Police Department related to this matter, and

BE IT FURTHER RESOLVED, that the City Council President, Vice President, and Chair of the Committee on Public Safety are hereby authorized, on behalf of the full City Council, to retain independent outside legal counsel or a qualified investigative firm experienced in conducting governmental investigations and witness interviews, for the purpose of ensuring a thorough, impartial, and independent review of the facts, and

BE IT FURTHER RESOLVED, that the scope of the investigation shall include, but not be limited to:

- The basis for establishing probable cause in the application for the search warrant
- Whether the warrant was sought and executed in accordance with applicable laws and constitutional protections
- Whether any City resources or authority were used in a manner that could constitute an overreach or misuse of power
- Compliance with statutory requirements regarding the return and filing of the warrant
- Any internal communications, policies, or directives related to the investigation and subsequent actions taken by the department, and

BE IT FURTHER RESOLVED, that the City Council may request documents, testimony, and cooperation from relevant parties, including but not limited to the Police Department, legal counsel, and any other appropriate entities, and

BE IT FURTHER RESOLVED, that findings of this investigation shall be reported publicly, along with any recommendations for policy changes, disciplinary action, or referral to appropriate state or federal authorities, if warranted.

City of Fall River, In City Council

(Councillor Michael G. Canuel)

BE IT ORDAINED by the City Council of the City of Fall River, as follows:

Section 1

By inserting a new section in Chapter 50 of the Code of the City of Fall River, Massachusetts, 2018, which chapter relates to Personnel as follows:

50-316. Approval of certain employment contract obligations

A. Definitions

When used in this Personnel section, the following terms and phrases shall have the following meanings:

1. "Contracted employee" shall mean any Department Head, Division Manager, or other employee serving pursuant to a written employment agreement with the City
2. "Renewal or extension" shall mean any action that:
 - i. Extends the term of an existing employment agreement beyond its stated expiration date; or
 - ii. Establishes a new employment agreement following the expiration of a prior agreement for the same position

B. Council approval required for certain contractual obligations

Any renewal or extension of an employment agreement for a contracted employee that:

1. Extends beyond the originally executed term; and
2. Obliges City funds beyond a single fiscal year

shall not take effect unless approved by the City Council

C. Submission requirement

The Mayor shall submit any proposed renewal or extension subject to this section to the City Council for approval prior to its effective date

D. Limitation of scope

Nothing in this section shall be construed to:

1. Limit or alter the Mayor's authority to appoint, suspend or remove employees
2. Require City Council confirmation of any appointment except as provided in the Fall River City Charter
3. Establish a fixed term of employment where none otherwise exists
4. Interfere with the administration of City departments

E. Applicability

This section shall apply to:

1. All employment agreements executed after the effective date, and
2. Any renewal or extension occurring after the effective date

Section 2

That Chapter 2, §2-10, of the City Charter of the City of Fall River, Massachusetts, which relates to City Council confirmation of certain appointments, be amended by inserting, immediately following the existing text of that section, the following:

"In addition to the confirmation requirements set forth in this section, any employment agreement for a Mayoral appointee that:

1. Extends beyond the originally executed term, or
2. Obligates City funds beyond a single fiscal year shall be subject to the provisions of §50-316 of the City code, including prior City Council approval where applicable."

Section 3

This ordinance shall take effect upon passage.

City of Fall River, In City Council

ba

(Councilor Christopher M. Peckham, Sr., and President Cliff A. Ponte)

WHEREAS, Section 2-7(a) of the Fall River City Charter authorizes the City Council to investigate the conduct of any department, office, or agency of the City, and

WHEREAS, recent publicly reported information has raised concerns regarding actions taken by the Fall River Police Department involving the use of a search warrant to identify the individual behind an anonymous social media account, and

WHEREAS, such reporting alleges that the warrant was sought in response to critical online commentary directed at members of the department, rather than clearly defined criminal activity, and

WHEREAS, the affidavit supporting the warrant reportedly cited generalized concerns regarding harassment and officer safety, without identifying a specific underlying criminal offense, and

WHEREAS, it has further been reported that no criminal charges resulted from the investigation and that the warrant return may not have been filed within the timeframe required under Massachusetts General Laws, and

WHEREAS, these circumstances raise legitimate concerns regarding the potential misuse of investigative authority, the protection of First Amendment rights, and the appropriate threshold for establishing probable cause, and

WHEREAS, maintaining public trust in law enforcement requires transparency, accountability, and strict adherence to constitutional and statutory standards, now therefore,

BE IT RESOLVED, that the City Council hereby exercises its authority under Section 2-7(a) of the City Charter to initiate a formal investigation into the actions of the Fall River Police Department related to this matter, and

BE IT FURTHER RESOLVED, that the City Council President, Vice President, and Chair of the Committee on Public Safety are hereby authorized, on behalf of the full City Council, to retain independent outside legal counsel or a qualified investigative firm experienced in conducting governmental investigations and witness interviews, for the purpose of ensuring a thorough, impartial, and independent review of the facts, and

BE IT FURTHER RESOLVED, that the scope of the investigation shall include, but not be limited to:

- The basis for establishing probable cause in the application for the search warrant
- Whether the warrant was sought and executed in accordance with applicable laws and constitutional protections
- Whether any City resources or authority were used in a manner that could constitute an overreach or misuse of power
- Compliance with statutory requirements regarding the return and filing of the warrant
- Any internal communications, policies, or directives related to the investigation and subsequent actions taken by the department, and

BE IT FURTHER RESOLVED, that the City Council may request documents, testimony, and cooperation from relevant parties, including but not limited to the Police Department, legal counsel, and any other appropriate entities, and

BE IT FURTHER RESOLVED, that findings of this investigation shall be reported publicly, along with any recommendations for policy changes, disciplinary action, or referral to appropriate state or federal authorities, if warranted.

CITY CLERK _____
FALL RIVER, MA

MEMO

TO: Fall River City Council

FROM: Daniel Aguiar, City Engineer

DATE: March 11, 2026

RE: Liberty Utilities-5 Year Street Opening Request-1216-1218 Stafford Road

The Engineering Department is in receipt of a permit request regarding the proposed opening of a portion of Stafford Road for the purpose of repairing an active gas leak. This section of Stafford Road falls within our five-year street opening moratorium and is set to expire at the end of 2026.

With your approval, all permits granted from the Engineering Department will require complete restoration of the roadway.

Attached are the following items:

1. Cover letter from Liberty Utilities.
2. Pending Street Opening Permit
3. Site Plan

I respectfully request that the matter be considered at the next available City Council meeting. I am available at your convenience to discuss the matter if need be. Thank you for your attention.

Mr. Daniel Aguiar

City Engineer

1 Government Center

Fall River, MA 02722

Dear Mr. Aguiar:

Liberty Utilities is proposing to perform gas main work at 1216-1218 Stafford Rd on the Stafford Rd gas main and the Progress St gas main to repair an active leak. The condition of the leak is progressing and is expected to escalate to a Grade 1 classification if not addressed soon. This portion of Stafford Rd and Progress St are currently under the city's 5-year road moratorium and requires City Council approval before Liberty can access our gas utility infrastructure. Liberty Utilities will reconstruct the roadway under the 5-year moratorium to meet the City of Fall River's reconstruction requirements and to the satisfaction of both the Public Works and Engineering Departments. Liberty will restore the roadways older than the 5-year moratorium to their pre-construction condition in compliance with the street restoration requirements in D.T.E. 98-22. Please review and contact me with any questions or concerns regarding this request. I can be reached at matthew.sullivan@libertyutilities.com.

Best Regards,

Matthew Sullivan

Engineer

NOTICE OF FILING AND REQUEST FOR COMMENTS

D.P.U. 26-29

March 13, 2026

Petition of Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid, for Approval of their 2026 Energy Efficiency Reconciling Factors for effect May 1, 2026.

On February 27, 2026, Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid (together, "Companies"), filed with the Department of Public Utilities ("Department") a petition seeking approval of their 2026 Energy Efficiency Reconciling Factors ("BERFs"), effective May 1, 2026. The Department docketed the Companies' petition as D.P.U. 26-29.

An BERF collects additional funds for approved energy efficiency programs when the cost of implementing those programs exceeds other funding sources. See G.L. c. 25, § 19(a). The Companies propose the following BERFs for effect May 1, 2026: (1) 2.463 cents per kilowatt-hour ("kWh") for residential customers; (2) 2.463 cents per kWh for low-income residential customers; and (3) 0.514 cents per kWh for commercial and industrial ("C&I") customers. The proposed BERFs are designed to: (1) collect costs associated with the Companies' 2026 energy efficiency program implementation in excess of other funding sources; and (2) reconcile expenses and revenues from the previous year's program implementation.

If the Department approves the 2026 BERFs as proposed, the Companies state that customers will experience the following bill impacts:

- a typical residential customer (R-1) using 600 kWh of electricity per month will experience a monthly bill decrease of \$1.00 (or approximately 0.4 percent);
- a typical low-income residential (R-2) customer using 600 kWh of electricity per month will experience a monthly bill decrease between \$0.29 to \$0.68 (or approximately 0.4 percent), depending on low-income discount tier;
- C&I customers will experience a monthly bill increase ranging from 2.0 percent to 4.3 percent, depending on load zone and usage. For specific bill impacts, these customers should contact the Companies as shown below.

Any person interested in commenting on this matter may submit written comments no later than the close of business (5:00 p.m.) on April 8, 2026. The Department strongly

encourages members of the public to submit comments by email in the manner described below. If, however, a member of the public is unable to send written comments by email, a paper copy may be sent to Peter A. Ray, Secretary, Department of Public Utilities, One South Station, Boston, Massachusetts, 02110.

All comments should be submitted to the Department in .pdf format by e-mail attachment to dpu.efiling@mass.gov and krista.hawley@mass.gov. The text of the e-mail must specify: (1) the docket number of the proceeding (D.P.U. 26-29); (2) the name of the person or company submitting the filing; and (3) a brief descriptive title of the document. In addition, a copy of all comments should be sent to the Companies' attorneys, Joseph Dorfner, Esq., at jdorfner@richmaylaw.com, and Christopher Tuomala, Esq., at Christopher.Tuomala@nationalgrid.com.

All documents submitted in electronic format will be posted on the Department's website through our online File Room as soon as practicable (enter "26-29") at: <https://eeaconline.eea.state.ma.us/DPU/FileManager/dockets/bynumber>. Please note that in the interest of transparency any comments will be posted to our website as received and without redacting personal information, such as addresses, telephone numbers, or email addresses. Therefore, consider the extent of information you wish to share when submitting comments.

To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), contact the Department's ADA coordinator at eeadiversity@mass.gov or (617) 626-1282.

For further information regarding the Companies' filing, please contact the Companies' attorneys, Joseph Dorfner, Esq., at jdorfner@richmaylaw.com or (617) 556-3800, and Christopher Tuomala, Esq., at Christopher.Tuomala@nationalgrid.com or (351) 666-7799. For further information regarding this Notice, please contact Krista Hawley, Hearing Officer, Department of Public Utilities, at krista.hawley@mass.gov.

Fall River, MA 02722

Dear City Councilors:

Following the Regular Meeting of the City Council on March 10, 2026, correspondence was sent on behalf of the City Council to the Mayor requesting details related to the status of the Civil Service process for the hiring of a Police Chief for the Fall River Police Department. On March 19, 2026, the enclosed letter sent to the Commonwealth of Massachusetts Civil Service Unit requesting the establishment of an eligible Civil Service list was shared with the City Council.

I commend the City Council's persistence with transparency and open dialogue with the Administration regarding this matter and will provide further updates as they are received.
